**United States v. Michael Robert Solomon**  
**Docket No. 0864 0:20CR00193-001(MJD)**  
**Petition on Supervised Release**

COMES NOW **Brian S. James**, U.S. PROBATION OFFICER OF THE COURT, presenting an official report upon the conduct and attitude of **Michael Robert Solomon** who was sentenced for Conspiracy to Provide Material Support to a Designated Foreign Terrorist Organization on March 10, 2022, by the Honorable Michael J. Davis, who fixed the period of supervision at 5 years supervised release, and imposed the general terms and conditions theretofore adopted by the Court and also imposed special conditions and terms as follows:

- Financial disclosure
- Extremist material restrictions
- Mental health counseling/treatment
- Up to 180 days in a residential reentry center with location monitoring (GPS) under home detention
- Internet restrictions
- Social media restrictions
- General search condition
- Parenting skills course

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

Michael Robert Solomon is not alleged to have violated the conditions of supervision. This modification is being made to afford the defendant with less restrictive conditions, in response to observed compliance.

PRAYING THAT THE COURT WILL ORDER that conditions of supervision be modified to include the following:

It is recommended that the defendant will be allowed to move out of the residential reentry center, and reside at his approved release residence. As the associated condition is for "up to 180 days" it does not appear a modification is needed for this action to occur.

At this time, it is recommended that the defendant remain on location monitoring with global positioning system (GPS) technology. It is requested that the restrictions associated with location monitoring be reduced from home detention, to the following restrictions associated with a curfew:

The defendant shall remain at his residence every day during set hours as directed by the probation officer.

ORDER OF THE COURT

Considered and ordered this 25th day of May 2023, and ordered filed and made a part of the records in the above case.
